Hi Wendy,

Attached is the well completion report for the ECCV Class I UIC well DI-2.

As discussed, I will send all I can to you via email. Some of the files are large so it will come in pieces. I hope to send it in six volumes.

Please start with the cover letter and then the body of the report (MS Word format).

The geologic strip log is 34 meg by itself, so I will be sending it along with the geophysical logs in paper form.

Thank you for your help on this project.
